How Mary Magdalene Was Made Well

By Dean Katherine (Kate) Moorehead

- A biblical, theological perspective on mental illness
- Offers a new view of Mary Magdalene's role for us today

Mary Magdalene, first witness to Jesus's resurrection, has been one of the most misunderstood of all the saints, maligned for centuries as a prostitute, despite there being nothing in the bible to indicate anything of the sort. The Bible does say that Mary was possessed by demons, and that Jesus healed her. Today, we would call Mary's problem not possession but a mental health condition.

Katherine B. (Kate) Moorehead is the tenth dean of St John's Cathedral in Jacksonville Florida, where she oversees a vibrant urban congregation of about 1500. Kate has led the Cathedral congregation in the development of ministries for the homeless, immigrants and children as well as implementing a new vision for the redevelopment of the urban core. Kate is known for her preaching, which can be seen in video or audio formats at jaxcathedral.org.
